

Environmental Policy.

Our company is committed to permanently meeting environmental protection requirements. The management of INAPA s.r.o. accepts responsibility for protecting the environment in connection with its cardboard-packaging and printing production, and recognises environmental management as one of its priorities.

- 01 We meet legal and other environmental requirements to which the company is subject or to which it has committed.
- 02 We treat preventive care as a priority, taking precedence over remedial measures.
- 03 We treat continuous improvement in environmental protection as a priority.
- 04 Through staff training and communication with customers we foster environmental awareness and responsible behaviour.
- 05 In all activities we strive to reduce pollution, especially in waste management.
- 06 We use natural resources purposefully and economically to reduce their consumption, particularly fuels and raw materials.
- 07 Through preparedness and prevention we forestall accidents; should they occur, we follow emergency plans and applicable regulations.
- 08 We apply the principles of this environmental policy and require them of our contractual partners too.
- 09 We acquaint all our employees with the environmental policy.
- 10 This policy is posted on the quality information board in the production area.

Adopted by resolution of the general meeting of INAPA s.r.o. Binding for all staff. In Třebíč, 22 January 2024.
