This policy sets out the commitments of INAPA s.r.o. (the “company”) within its chain-of-custody certification under the FSC (Forest Stewardship Council A.C.) standard. The aim is to guarantee that a given FSC product was made from material originating from responsible forest management, or from other recycled or non-controversial sources.

01

FSC Policy – INAPA s.r.o.

The company has decided to implement and certify its trading in packaging materials according to the current version of the FSC-STD-40-004 standard, to comply with this standard and to offer customers certified FSC products, thereby demonstrating its responsibility towards the environment.

02

Main commitments

The company's management declares that it is not involved, directly or indirectly, in the following activities:

- a) illegal logging or the trade in illegally harvested wood or forest products;
- b) violation of traditional and human rights in forestry operations;
- c) destruction of high conservation values in forestry operations;
- d) significant conversion of forests to plantations or non-forest use;
- e) introduction of genetically modified organisms in forestry operations;
- f) violation of any of the ILO Core Conventions as defined in the ILO Declaration on Fundamental Principles and Rights at Work.

03

Within our internal FSC-related processes

- a) we offer customers packaging materials with an FSC claim according to their request;
- b) when purchasing input material, we guarantee that our suppliers' FSC certification is verified;
- c) we familiarise employees with the importance of FSC principles and with compliance with internal procedures;
- d) we regularly check that sales, purchasing and production processes are carried out in accordance with the approved internal regulations and the FSC manual;
- e) we respond to every FSC-related concern raised by employees or external stakeholders;
- f) we continually improve our internal procedures and processes.

This policy is binding on all employees of the company, and the company expects and requires all employees to comply with it.
